FIREWORKS
THINK SAFE

Little helpers can get hurt too...

IF YOU'RE HELPING OUT WITH THE FIREWORKS THIS YEAR, REMEMBER:

Never handle fireworks
It's illegal for children to handle fireworks. Let an adult do it.

Keep the pets safe
Dogs, cats and other pets should be inside with somewhere comfy to hide.

Be considerate
Help your parents or other adults to warn neighbours in advance of your fireworks display.

Keep well back
Stay well away from any fireworks. Even if they don't go off, let an adult dispose of them.

Have fun
Once your preparations are done, leave the display to an adult, sit back – and enjoy!
